No. 17 BK 3283-LTS

(Jointly Administered)

**INFORMATIVE MOTION OF THE FINANCIAL OVERSIGHT
AND MANAGEMENT BOARD FOR PUERTO RICO REGARDING
PENDING OMNIBUS OBJECTIONS TO CLAIMS**

To the Honorable United States District Court Judge Laura Taylor Swain:

The Financial Oversight and Management Board for Puerto Rico (the “Oversight Board”), as the sole representative of the Debtors pursuant to Section 315(b) of the *Puerto Rico Oversight, Management, and Economic Stability Act* (“PROMESA”),² respectfully submits this informative

¹ The Debtors in these Title III Cases, along with each Debtor’s respective Title III case number and the last four (4) digits of each Debtor’s federal tax identification number, as applicable, are the (i) Commonwealth of Puerto Rico (“Commonwealth”) (Bankruptcy Case No. 17-BK-3283-LTS) (Last Four Digits of Federal Tax ID: 3481); (ii) Puerto Rico Sales Tax Financing Corporation (“COFINA”) (Bankruptcy Case No. 17-BK-3284-LTS) (Last Four Digits of Federal Tax ID: 8474); (iii) Puerto Rico Highways and Transportation Authority (“HTA”) (Bankruptcy Case No. 17-BK-3567-LTS) (Last Four Digits of Federal Tax ID: 3808); (iv) Employees Retirement System of the Government of the Commonwealth of Puerto Rico (“ERS”) (Bankruptcy Case No. 17-BK-3566-LTS) (Last Four Digits of Federal Tax ID: 9686); (v) Puerto Rico Electric Power Authority (“PREPA”) (Bankruptcy Case No. 17- BK-4780-LTS) (Last Four Digits of Federal Tax ID: 3747); and (vi) Puerto Rico Public Buildings Authority (“PBA,” and together with the Commonwealth, COFINA, HTA, ERS, and PREPA, the “Debtors”) (Bankruptcy Case No. 19-BK-5523-LTS) (Last Four Digits of Federal Tax ID: 3801) (Title III case numbers are listed as Bankruptcy Case numbers due to software limitations).

² PROMESA is codified at 48 U.S.C. §§ 2101-2241.

motion (the “Informative Motion”) in response to certain questions raised by the Court at the September 16, 2020 omnibus hearing (the “September Hearing”), and in support of this Informative Motion, the Oversight Board respectfully states as follows:

1. As a result of pandemic-related restrictions in Puerto Rico, including regarding courthouse operations and the inability of the Court to hold in-person hearings, the Debtors have been unable to prosecute pending omnibus objections to claims (the “Adjourned Objections”) and, instead, hearings with respect thereto have been adjourned from time to time.³ *See, e.g.*, ECF Nos. 12750, 13232, 13702, 14138. Accordingly, over one hundred sixty omnibus objections to claims, affecting over 60,000 claimants, remain pending before the Court and are scheduled to be heard at the October 28-29, 2020 omnibus hearing (the “October Hearing”). In addition, on September 11, 2020, the Debtors filed an additional seventeen omnibus objections, covering 637 claims, which objections are noticed for the October Hearing (together with the Adjourned Objections, the “Objections”).

2. As set forth in the *Status Report of Financial Oversight and Management Board in Connection with September 16-17, 2020 Omnibus Hearing* [ECF No. 14315], the Debtors have proposed establishing a satellite hearing location at the Prime Clerk collection center located at Citi Towers, 250 Ponce de León Ave., Suite 503, Hato Rey, San Juan, PR 00918 (the “Satellite Site”), at which claimants who responded to the Objections may be permitted to appear and speak at a hearing, along with their interpreters. At the September Hearing, the Court recognized this as a “promising development,” Sept. Hr’g. Tr. 9:5, but requested additional information from the Oversight Board regarding (1) the public health and safety measures the Debtors intend to follow

³ The Adjourned Objections are identified in Appendix A to the *Notice of Adjournment of Omnibus Objections Scheduled for Hearing at the September 16, 2020 Omnibus Hearing to the October 28, 2020 Omnibus Hearing* [ECF No. 14138] (the “September Adjournment Notice”).

at the Satellite Site, and (2) the number of responses to the Objections received by the Oversight Board and the Debtors.

3. With the capacity restrictions currently in place, a maximum of eight people may be inside the Satellite Site at any given time. The Oversight Board shall have one Prime Clerk staff member present inside the Satellite Site to both manage traffic flow into and out of the Satellite Site and to provide technological and other assistance to claimants. Additional Prime Clerk personnel will be available at the facility, to coordinate foot traffic outside the premises, in the lobby, or in the hallways, as necessary, but will not be physically present within the Satellite Site. The Debtors will make an interpreter available at the Satellite Site, leaving space available for up to six claimants and claimant-provided interpreters inside the Satellite Site at any time. The Satellite Site contains three rooms, each of which may contain a claimant and either the Debtors' or the claimant's interpreter. The Prime Clerk staff member will assist with continuously staging the claimants within each of the three rooms in the order they are listed on the agenda, in order to reduce disruption and lag time between claimants wishing to speak at the hearing.

4. To minimize the need for claimants to touch shared equipment, each of the three rooms inside the Satellite Site will be equipped with a conference phone with speaker phone capabilities. With the Court's authorization, the conference phones will dial in to the main court hearing line. Claimants will not be required to touch this conference phone in order to speak and be heard. Accordingly, there will be no need for claimants or their interpreters (to the extent necessary) to share headsets or handsets with other participants in the hearings. Face masks will be mandatory while inside the Satellite Site. In addition, all high-touch surfaces, such as tables or chair arms, will be sanitized in between use.

5. With respect to the number of claim objection responses currently pending, the

Oversight Board tracks responses that are filed on the docket, as well as responses mailed to either Prime Clerk, counsel for the Oversight Board, and/or counsel for the Official Committee of Unsecured Creditors (the “Committee”). Notwithstanding that a response may not have been filed with the Court, the Oversight Board treats responses mailed to Prime Clerk, counsel for the Oversight Board, and/or counsel for the Committee as responses to Objections, and will be prepared to address all such mailed responses at any hearing on the Objections. It must be noted that mailed responses received by Prime Clerk may be either (i) responses to the mailings authorized (“Authorized Mailing Responses”) by this Court’s *Order Granting in Part and Adjourning in Part Debtors’ Motion for Entry of An Order (A) Authorizing Alternative Dispute Resolution Procedures, (B) Approving Additional Forms of Notice, (C) Approving Proposed Mailing, and (D) Granting Related Relief* [ECF No. 8453] (the “Authorized Mailings Order”) or (ii) unsolicited mailings submitted by claimants. It is not uncommon for the Oversight Board to receive multiple mailings, as well as multiple docket responses, for any individual claim. Accordingly, the Oversight Board’s response data reflects aggregate responses per claim, and not total responses. For example, if a claimant, for a single proof of claim, filed two docket responses, mailed counsel for the Oversight Board and the UCC a copy of both docket responses, and completed a response to the mailings authorized by the Authorized Mailings Order (*i.e.*, seven total submissions), those seven submissions would be recorded as a single response.

6. As of the date of this filing, the Oversight Board has reviewed docketed responses as of the morning of September 18, and has processed Authorized Mailing Responses as of September 15. The Oversight Board continues to review docketed responses as they are posted, and continues to process both Authorized Mailing Responses and unsolicited mailings as they are received. As of the date of this filing, responses are currently outstanding with respect to 3,747

claims. The Oversight Board's review and analysis of these responses remains ongoing, but the Oversight Board presently anticipates that, based upon the substance of the responses, at least 3,550 of these claims will be transferred into either the ADR Procedures (as defined in the *Order (A) Authorizing Alternative Dispute Resolution Procedures, (B) Approving Additional Forms of Notice, and (C) Granting Related Relief* [ECF No. 12576]) or Administrative Claims Reconciliation (as defined in the *Order (A) Authorizing Administrative Reconciliation of Claims, (B) Approving Additional Form of Notice, and (C) Granting Related Relief* [ECF No. 12274]).

7. Information reflecting the breakdown of these responses on an objection-by-objection basis is set forth on Appendix A hereto. Therein, the columns titled "Any Responses" reflect any responses received by the Debtors, whether on the docket, in an Authorized Mailing Response, or via an unsolicited mailing. The columns titled "Docketed Responses" refer to responses filed with the Court.

8. The Oversight Board proposes to proceed with the following ten objections at the October Hearing:

- *Seventy-Eighth Omnibus Objection (Non-Substantive) of the Commonwealth of Puerto Rico, Puerto Rico Highways and Transportation Authority, and Employees Retirement System of the Government of the Commonwealth of Puerto Rico to Deficient Claims Asserting Interests Based on Salary Demands, Employment, or Services Provided* [ECF No. 8964];

- *Eighty-Fourth Omnibus Objection (Non-Substantive) of the Commonwealth of Puerto Rico, Puerto Rico Highways and Transportation Authority, and Employees Retirement System of the Government of the Commonwealth of Puerto Rico to Deficient Claims Asserting Interests Based on Unspecified Puerto Rico Statutes* [ECF No. 8971];
- *Eighty-Fifth Omnibus Objection (Non-Substantive) of the Commonwealth of Puerto Rico, Puerto Rico Highways and Transportation Authority, and Employees Retirement System of the Government of the Commonwealth of Puerto Rico to Deficient Claims Asserting Interests Based on Unspecified Puerto Rico Statutes* [ECF No. 8973];

9. To minimize overlap with other matters scheduled to be heard at the October Hearing, the Oversight Board further proposes that these objections be heard starting on the morning of October 29, 2020.

10. The Oversight Board proposes to proceed with the remaining Objections at hearings to be held on November 18, 2020 and November 20, 2020.

WHEREFORE the Oversight Board respectfully requests the Court take notice of the foregoing.
